HARDY AZALEAS

Broad Leaved Evergreen AND Deciduous Shrubs

INFORMATION

Our nursery stock is of high grade quality.

PRICES are made to fit the quality of the stock sent out. Discriminating buyers now realize that the greatest value of nursery stock is underground. Frequent transplanting and handling specimens with adequate burlapped balls, means success and quick results. The best is always the cheapest.

Orders are shipped F. O. B. Portland. For orders to be shipped by parcel post, ten per cent of order should be added to prepay postage, surplus, if any, will be returned. We do not charge for packing for orders of five dollars and over. Portland orders of ten dollars or more are delivered free within the city limits. We must decline C. O. D. orders.

Our stock will be in good condition when leaving the nursery. If there is any cause for complaint please advise promptly on receipt of same.

Terms: **CASH WITH ORDER.**

AZALEA MOLLES—These freely flowering plants are thoroughly winter hardy, and are recommendable for landscape work as they are for forcing. They succeed best in peaty soil. The flowers are large and showy, and appear in trusses of various colors; in shape, resembling the Rhododendron. Bushy plants in mixed colors, in shades of yellow, orange, salmon-red and orange-scarlet.

8 to 12 inches, each \$1.50, \$2.00 and \$3.00

AZALEA PONTICUM ALTA CLARENCE—A fine yellow, almost orange Azalea with large and beautifully built trusses; very fragrant; unsurpassed in landscape work for its luxurious foliage, turning to an almost bright red in the Fall, as well as its masses of bright yellow flowers in early Summer.

8 to 10 inches, each \$1.50, \$2.00 and \$2.50

AZALEA PONTICA—A sturdy growing Azalea with masses of yellow flowers.

8 to 12 inches, each \$1.50, \$2.00 and \$2.50

AZALEA OCCIDENTALIS (Southern Oregon Azalea)—A rather large growing shrub with masses of white or light rose flowers, very fragrant.

10 to 15 inches, each \$1.50, \$2.00 and \$3.00

AZALEA HINODIGIRI (Evergreen Crimson Azalea)—Loaded in early Spring with masses of scarlet flowers.

6 to 10 inches, each \$1.00, \$2.00 and \$2.50

ABELIA RUPESTRIS—A beautiful, dark glossy leaved evergreen, bearing small clusters of handsome white flowers.....

Each \$0.75 and \$1.00

BERBERIS WILSONI—A recent introduction from Western China, a splendid very dwarf, decorative shrub, with small glossy green leaves. Foliage in the Fall takes on the most beautiful tints of color; sturdy plants.

each \$0.75 and \$1.00

CAMELLIA JAPONICA—In colors of light pink, rose and variegated sizes 12 to 15 inches.....

Each \$1.50 and \$2.00

COTONEASTER FRANCHETTE—A medium size evergreen shrub of open, graceful, droopy habit; beautiful gray foliage, and best in the Fall when covered with masses of salmon-red berries. Each \$1.00 and \$1.25
